

COFFEE *by* REAL EATING CO

Role

Barista for Fast-Growing Independent Cafe Group.

About us

We are an independently-owned, high-profile chain of cafes and restaurants in the South East (listed as one of the fastest-growing hospitality businesses in the UK by Restaurant Magazine). We focus on a modern, quality British food and drink experience where product quality, provenance, consistency and good service are key to our business. Coffee is a very important part of our business.

We are a small, friendly team and look for people with a can-do, entrepreneurial spirit to fit into our independent, fast-growing business. The work is hard but satisfying and we look after the people who help the business to flourish. Having the right attitude is really important to us - caring about your work and your colleagues, being open-minded to new skills and techniques, being curious and creative and being reliable. If you think this might be the role for you, get in touch!

Previous barista experience would be helpful but not essential. On-going training is provided.
